**Pastor:** Chet Johnson

Greetings from North Carolina and your neighborhood Missionary.

**Church:** I am pleased to announce that God has been good to us in this brand-new month of 2020. At the close of 2019 I was a little discouraged seeing our numbers running in the 20's on Sunday Mornings. As a congregation we went through the loss of members from the military moving them away. As a Church we also had the difficult task to discipline several members for living lives that were in complete contrast with scripture while also removing members that have moved away that no longer want to fellowship; But I believe God has blessed our faithfulness. In January our attendance has nearly doubled in Sunday Morning Worship. We had two Sundays that our attendance was 47 with three brand new families in attendance. We have a great opportunity to minister to these new families because for two of them, this is their very first church experience. After meeting with the families, it is clear that God has led them to us and they are hungry to learn of the God that we teach and preach about. It excites me that they are opening up their homes for me to begin bible studies for their families. Please pray that the Gospel message would be received with gladness and they follow the Lord in baptism.

As January 2020 began, I laid the groundwork for our theme of the year which is “GOD IS BIGGER.” The Lord lead me to a preach a series through the book of Nehemiah showing that God is Bigger, but God wants us to be Big for Him by working through us. The congregation has been very excited to see the progress of Nehemiah and very excited to see our theme lived out in 2020.

In our Leadership Meeting/Vision Casting Service, we made plans for new outreach opportunities this year, fully giving ourselves to Gods plan to reach every soul for Him. We Are continuing our door to door evangelism once a week, while also beginning new bible studies in different members' homes for them to invite their friends and neighbors to.

We also have revamped our giving and are going to really focus on how we can be more mission minded as a congregation. Not only in our Jerusalem (Fayetteville) but how can we have a Global impact.

**Family:** On a personal note, I appreciate everyone's prayers and support. At the end of last year, even after receiving the Flu shot I still got the Flu. The Flu then turned into double pneumonia with several other issues where I cracked three ribs from coughing. It has taken nearly a month to overcome but I am pleased to say that I am nearly 100% back to normal and glad I am able to give myself fully to the ministry. I appreciate the understanding heart of those of you that love on and support my family through every high and low of ministering here in North Carolina. The text, phone calls, emails and cards are the support and appreciation that keeps us going. We love and pray for each of you and looking forward to the next time I am able to express my appreciation in person.
