Dalton and Zalix's mom, Laura

In my last newsletter, I asked for prayer for my son's friend Zalix, and his family. His mom Laura was unexpectedly sent prison.

I want to give an update and share what amazing things God is doing through and for her! She has been moved to the correction facility in Colorado Springs which is about 2 hours from here, so visiting her is not as easy. My wife has been sending her letters, encouraging books and Bibles almost weekly. When we last spoke to her she said all the other inmates were jealous of her because she always got mail, and they knew she had a lot of people on the outside who loved and cared for her. Many expressed to her they NEVER get any mail or correspondence. She has read several of the books and has passed them along to the others. She has also requested more Bibles to give out as well. Laura told us she knows she has made many mistakes in life but she DOES have a personal relationship with Jesus. It has taken her going to prison to realize the path she was on was not what God had intended for her life.

She knows God has placed her there for a reason, and she has been sharing her faith with others! She said she has prayed with 2 inmates who have accepted Jesus! She is also attending weekly worship services. She asked if I could come and talk to her and the others because they have many questions about God and religion. I am currently working with her husband to schedule a time for us to take a trip there. Please continue to pray for The Croy family and that God will continue working!

As I have also mentioned in the past, I have been asked back for another year of coaching freshmen football at the high school. I have been meeting with the head coach regularly on ways to get the kids more involved and engaged in spiritual matters. The coach has given me free and complete reign in doing whatever it takes to win kids to Jesus! One of the ways I am focused on is simply spending time with the kids outside of football and getting to know them personally. As of right now, I have a group of 6 boys from the team and my daughter and 2 of her friends who are planning on going on a mission trip with us this summer to work with the Amburgey family in MO the week of IMPACT. Please pray for great results for the Amburgey family that week but also for these kids and their walks with Christ. Pray if there are lost, they will come to know Christ but also for the saved that they will be revived by the experiences they will encounter.

How can you help?

- Continue to pray for me and my position as freshman football coach.
- We are still in need of churches to partner with us financially for our salary fund
- God would lay a burden on others hearts to come join us here in Mead, CO.
- We are still actively looking for a meeting place.
