**Pastor:** Chet Johnson

Greetings from North Carolina and your neighborhood Missionary.

**Church:** Who would have ever thought in a millennia, that we would be in our current situation? Definitely not me. Our current pandemic has been trying and also rewarding. The trying parts, like most are dealing with, is the inability to fellowship. Our church is a very close-knit group that operates like a large family. It was difficult to make the decision to stop holding services at church and to cancel all events until further notice.

We were really excited about our new door to door evangelism explosion. We had evangelism classes leading up to our evangelism explosion launch, along with tons of material to hand out. Although we are not able to do evangelism explosion the way we intended, God has opened the doors for us to still spread the gospel in Fayetteville. We did mass mail outs of handwritten cards to houses, along with a “We are praying for you” message from me. I am amazed at the return response we received along with the 200% increase of visitors to our website.

Our church also decided to hold 2 special prayer nights a week where we can “meet” on Zoom. We spend this time cultivating our relationships, encouraging each other and praying for one another; And praise the Lord we had a young man accept Christ after one of our prayer nights. TO GOD BE THE GLORY.

We aren’t sure how long this pandemic will attempt to keep us apart, but we are using every avenue possible to continue to fellowship and grow as a congregation. One of the other things that has come about because of our current situation we have begun livestream services on Facebook. Because we have so many military families that have moved away, they have asked for some time for us to stream our services. Now that we are live, we have reconnected with several families and have more than 100 that tune in to our Sunday morning worship service. I am very excited for the people we have been able to reconnect and reach through our live services.

As of May 6<sup>th</sup> we are still following the guidelines of our Governor but we will have a leadership meeting soon to decide how we will begin integrating to some sense of normalcy for worship and Bible studies.

**Family:** On a personal note, I appreciate everyone’s prayers and support. This pandemic has been difficult for ministry but amazing for my family. North Carolina cancelled school for the remainder of the year which means Jenna is home with me and Emmitt. We are soaking up all of the family time and using this opportunity to not only spend as much time as we can with Emmitt, but also to take this time to grow our marriage. Even though we can’t go anywhere, it has been such a blessing to play games, watch movies and do crafts with each other during this chaotic time. We were looking forward to seeing most of you at the ABA meeting in June, but since that is cancelled, I long for next year.

We love you all, and appreciate your prayers
