Are you a college age person?

Are you currently looking for somewhere to serve this summer? We would love to plan a week or two of ministry with you. Come see Colorado and serve the Lord in a challenging field.

We want to plan a time this summer to host a group of college age adults. Please contact me for more information.

coloradochurchplanting.org

All gifts are used for the support of the ministry.

Report for June 2020

This month has seen some things return to some sort of normality. Even though the state still has several restrictions in place, we have begun to carve out a pattern for ministry.

We were able to have outdoor worship for a couple of weeks. During these worship services, we continued to have neighbors sit in their yards and listen to the worship. Most people here are still very cautious to get any closer because of the virus.

Another area of ministry for me has always been the gym. Even though that has not opened back up, I have been able to organize some pick up games of basketball twice a week. This has allowed me to begin ministering to these men again. Through this, I have now been able to start a men's Bible Study. I am very excited about this. Many of these men show no or little interest in coming to church yet, but they are showing interest in a Bible Study. We just started this the last week of June. Pray for this ministry.

We are wanting to purchase 500 water bottle labels and 500 water bottles to pass out. We need approximately \$350 to be able to do this. Summer is here and people in Colorado drink a lot of water during the summer. Offerings for this may be sent directly to us by check or through our website. The sooner we can do this, the better.

Another area of need continues to be our monthly housing needs. We are so grateful for the faithful support of churches in this area. However, our fund is getting drastically low. One time offerings or monthly support designated for "housing" would be so appreciated.

Thank you FOR YOUR SUPPORT
