Pastor: Chet Johnson

Greetings from North Carolina and your neighborhood Missionary.

Church: As May approached, not a lot changed from April. We were still quarantined, practicing safe distancing, schools officially ended, and business closed. A lot of the ministry that we were counting on to be in the community and assist our community has come to a halt. Also, the events and outreach ministries planned are still on hold, and we are still doing on-line only services for Sunday worship and Wednesday Bible studies. But even though ministry doesn't look the same, post COVID-19, doesn't mean that ministry has come to a stop; It just looks different than before. Romans 10:17 says "So then faith cometh by hearing and hearing by the word of God." The Gospel message is still being spread in Fayetteville, Christians are growing, stepping up and being "Christ-Like" at their jobs and in their neighborhoods. We have seen 2 souls saved through this and a couple rededicated their life to the Lord. As the song title says, "God is on the move."

As June opened up the Summer and the Governor began allowing larger gatherings, we opened up our Church for Sunday morning worship. All Pastors hope that absence would make the heart grow fonder and the people in the community would flood the building excited for fellowship and worship. I prayed for standing room only for our first Sunday back. Well that wasn't the case, we didn't break any records, but we did have 27 in service and 15 that viewed us online. So, to that I say, "PRAISE THE LORD" for actually being able to preach to actual people and not a camera. I'm proud to announce that for the month of June, we averaged 25 in service with 15-20 with us online.

At the end of the month with anticipation for North Carolina to move to "Phase 3" of re-opening, due to the rising number of Covid-19 cases, the Governor has kept us at "Phase 2" for another 3 weeks. Although that doesn't change how we meet as a church, it does continue to hinder our outreach opportunities.

I know all churches are dealing with similar issues, but we ask that you continue to pray for our State, City and Church.

Family: On a personal note, we are still enjoying the time we are able to spend as a family. We were very encouraged to have family and friends come and visit, which is positive with all the negative around. Also, Emmitt just celebrated his 2nd Birthday. We had a "Too Cool" Birthday party for him and the whole church family came over and helped him celebrate. It was the first time that many had been in a group or around people since the quarantine 12 weeks ago. Even though it was Emmitt's birthday, it was a great time of fellowship and very encouraging to our church people.

I know that in June we would have seen most of you at the ABA meeting and we are sad that we have to wait another year to see you, but we are looking forward to seeing you at next year's meeting.

Until Next time, I'm Mike Jones and I approve this Message.
