There is no place like home, there is no place like home.... We are back in Kansas. We made our final move this past month. We are so grateful for all the help that we received to make the move. We are grateful to James and Kenya Taylor, and Jack and Jackie Brown for giving a day to help pack. We are grateful for members of Eastside MBC for driving hundreds of miles to help us load and drive to Topeka. We are grateful that several of the people of the work in Topeka for helping to unload and pack. God has been so good to us during this transition.

This month, we averaged 12 in attendance in both our zoom services and in person services. We were blessed with 2 first time visitors and 3 that came forward seeking to follow the Lord in baptism. We will be setting up the baptismal services before long.

Pray for us as we continue to get settled in and begin meeting our neighbors. We have been praying the Lord would establish some meaningful relationships among our neighbors in order to see the gospel increase.

.....

We are so grateful for all the support that we receive. Our Lord is truly good to us. We would like to ask that all offerings, beginning in September, be mailed to our sending church. The address for Eastside is on the side column of this report.

.....

As many of you know, my home town is in southeast Louisiana. I want to express my gratitude for your prayers during the hurricane there. My family is all doing well. We lost contact with them for about a day, but they came through the storm well. Thank you Lord!!!
