Report for December 2021

Thank you all for reading this report and praying for the work here on a regular basis. December was a busy month filled with outreach, activities, worship, and of course family time for Christmas.

This month, we had the opportunity to continue to connect with our neighbors and try to deepen those relationships. My wife and I took small Christmas goodie bags to each of our neighbors which was highly appreciated. We also were able to help several families with clean up after a strong wind storm. After the storm passed through, we were able to offer to help pick up limbs and cut up trees. Personally, we did not get any damage outside of limbs all over the yard.

Our attendance for the month held steady with an average of 12. This is good considering the busyness of December. We also saw 2 first time visitors and 1 repeat visitor.

This month, we were able to lead our group to get out and do a public outreach. We offered our first drive up prayer. We set up at a busy intersection in town and offered to pray for people. This was a unique experience for our people, but one that they are excited to repeat.

Thank You!!! We are so thankful for the offerings that have been sent to help us beautify our current meeting location. We will begin work as soon as we can on painting and improving the meeting space that we have. We are currently meeting in my shop and saving thousands of dollars on rent. This space is meeting our needs, but needs to be spiffed up a bit. We hope to begin working as the weather will allow us, now that we are in winter here.

Pray for us as we try to get more plugged into the community. I have enquired with the local law enforcement about volunteering as a chaplain. I have reached out to the hospitals, and funeral homes. Of course with Christmas, things were on hold until January. Please pray that the right opportunities would open up.
