What happened in January continued into February. In January, half of our group had covid. In February, the rest of us got it. This drastically affected our services. The first Sunday in February, we had services and unknown to me, I had covid. The next week and a half were an adventure of weakness. Praise the Lord, all of our group has recovered, including myself and my wife.

I spent much of the month being discouraged due to poor attendance and service opportunities. Regardless, that the reasons were legitimate, it was still discouraging. However, we closed out the month back to normal and in full attendance. If things had been normal, I am confident that our attendance would have held average around 12.

Now Good News! I was finally cleared with background checks and was able to start the volunteer chaplain position at the Topeka Police Department. I have just gotten started by the end of the month, but I am excited about the opportunities that this will bring to minister and to learn about the city of Topeka.

Praise the Lord! Kim and I were able and blessed to welcome into the world our first grandchild on February 26th!!! Emily and her parents are doing well. We spent a small fortune being here in Texas for the birth, but it was well worth it.

Thank you to churches for sending offerings to help with our current meeting space. Our goal is to have it completely renovated in time for our Easter services. This month we were not able to do much work, but now that we are well, we plan to get back at it. Prayers appreciated.
