Pastor: Chet Johnson

Greetings from North Carolina and your neighborhood Missionary.

Thank you for taking time to read this short report on God's blessings and work in Fayetteville North Carolina.

Blessings: For those of you that know me know that I am an avid/competitive shooter and a firearms instructor. Through my many adventures and competitions, I have been able to meet many and have great spiritual conversations while participating in ballistics therapy. We have many that currently attend our church or have joined in the past that I have met through this "Hobby." I know most will see these pictures of just me and a couple guys shooting or training with night vision, but I continued to use my time to not only hone my own skill but also witness. I am honored to announce that God has done it again. These two men, that have become good friends of mine, accepted Christ as their savior and have baptism scheduled for Easter Sunday. If you would take time to pray for Josh McClain, who is getting married in November. Also Levi Canterbury and his wife Kenya that are expecting their first child in June. I wanted to take a moment to share that no matter where you are or what you are doing, God can use you. Which is why I am thankful for your prayers and continued support that allows me to be available to preach the gospel where ever I am .

Special Prayer: We have been in our current store front property for nearly 6 years now. It was a tremendous blessing and exactly what we needed when we needed it. It was just a plus that it just so happened to be on Damascus Rd. In the 6 years we have seen many conversions and life transformations take place. There have been tears poured out on the altar, messages proclaimed, weddings as well as funerals conducted there. Many have been baptized and walked the aisle for prayer or rededication. Our current lease is up at the end of April, and we are still unsure where we are to go or if we are to stay. The owner of the building is not communicating well with us in his plans for the space, but we do know that the rent will be raised significantly. So, if you will help us pray for our next steps that they would be in the Father's will.

Thank you all for your prayer in support, if you have any questions about the work or just want talk, feel free to call or text anytime.
